Dear FCC Review Officials,

**Re: CC Docket No. 02-6 ...471: 470261, FRN: 1299884 and 1299983, ...postmarked more than 60 days after the date your FCDL was issued....**

American Internet Group, LLC (hereinafter "AIG") hereby submits this request to the FCC for appeal seeking reversal of the March 28, 2007 FCDL for Academy of Beaumont (Beaumont). We believe that USAC erred on its March 27, 2007 "Administrator's Decision on Appeal" letter. In this letter USAC wrote that the Appeal was not considered because the Appeal was filed "more than 60 days after the date of your Funding Commitment Decision Letter was issued." This statement disregards the timely Appeal which was filed by the Applicant, Academy of Beaumont (BEN: 209463), on February 21, 2006 – less than two weeks after the FCDL was received.

A second objective is to prove that the original denial reason on the FCDL issued February 8, 2006 ("Insufficient documentation...") was incorrect (A copy of the original bank statements as well as a copy of the information forwarded during the PIA Selective Review during the fall of 2005 has been provided by the applicant to supplement the record."

AIG seeks reversal of this FCDL as an aggrieved party. In the meantime, please let us know if you have any questions.

Regards,

John Edwards, President
